

Everybody stop here's what I'm offering  
Everybody look at me  
You tried to be on top, boy, you tried everything  
But this is the new place to be

Go go go! Let's go get excited  
I said Go go go! Time to Ignite  
Go go go! Your Personality

Oh oh oh oh You can't get out  
Oh oh You're trapped in yourself  
Oh oh oh oh You scream, you shout  
Oh oh oh oh Can't get out

Welcome to your life the new reality  
That's what you're supposed to be  
As easy as it gets forget the agony  
Yourself is what you get for free

[Chorus]

Oh oh oh oh You can't get out  
Oh oh You're trapped in yourself  
Oh oh oh oh You scream, you shout  
Oh oh oh oh Can't get out

Oh oh oh oh You can't get out  
Oh oh You're trapped in yourself  
Oh oh oh oh You scream, you shout  
Oh oh oh oh Can't get out

Can I get out
