

# Say Hello

Itchy Poopzkid

Here we come  
No regrets and on the run  
Never too late  
Too soon  
Too young  
On a sunday morning  
Here we go  
In color and stereo  
Just take your chance,  
Fast lane  
Today  
It's all possible for sure  
Say hello...

Stop apologizing  
Everyone is here you know  
Come on in and say »hello«  
Stop the world from turning  
On your mark, get set and go  
Come on in and say »hello«

Crash and burn  
sending postcards in return  
Make dreams come true  
Open ears  
And eyes  
Get up on the dancefloor  
Ring the bells  
Dedicate it to ourselves  
Be living proof  
Celebrate  
No.1  
Making memories galore  
Say hello...

Stop apologizing  
Everyone is here you know  
Come on in and say »hello«  
Stop the world from turning  
On your mark, get set and go  
Come on in and say »hello«

Da dada dadadap  
Da dada dadadap  
Da dadap dap dao  
Dadap dap dap  
Da dada dada dap  
Da dada dadadap dao  
Da dada dadadap
