

The Enemy

Itchy Poopzkid

Na na na na na na na na na

Wait!

I see your mouth is moving but I think I shut you out

What is this anyway?

Trust?

What's wrong with everyone it's just a word forget it

Damn I think you better learn from me

Look at me!

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na

Freak!

Or is it me who's freaking out? That's not your business

What? Who do you think you are?

Oh,

you're still around I'm sorry I got lost in myself

Heres to you and kiss my ass for free

Look at me!

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na

Love and happiness are gold

That's what I have been told

Be forever save and free

In harmony

Find your peace and find your soul

Christ!

I think I'm getting sick of all those happy people

time they get what they deserve

Pain!

That's what I feel when they come crawling, they come falling down

I think they better look at me

Look at me!

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na

Where's the enemy

Who's the enemy

I'm the enemy

Na na na na na na na na na
Where
Who
I
Na na na na na na na na na
Where's the enemy
Who's the enemy
I'm the enemy
Na na na na na na na na na
