

## Yesterday Night

Itchy Poopzkid

Yesterday night started with a smile of the girl,  
that's sleeping right by my side.  
I wanted I needed to make her mine for such a long time  
It seemed so amazing and great to me  
but suddenly, somehow all of my dreams  
where fading and drifting so slowly away.  
I guess those feelings were all wrong and on and on and  
on and on.  
I've been waiting for so long,  
waiting for this night to come  
but now I'd better be moving on and on and on and on and  
on  
because this time everything went wrong.  
I thought, she was the one.  
Can anyone, anyhow be so wrong?  
I was blinded, diverted by her sweet sight.  
Refused to look behind.  
Too bad I'm down and that girl is out.  
Still way too hard to think and smile about.  
I need some, some distance and time alone with this  
frustration.  
That's why I'm running away leaving dreams behind.
