

Nothing Lasts Forever

Ivan Král

When I cry
I cry for us babe
what I dream about
I feel it's a lie,
the time was right
but nothing lasts forever,
you and I
passing
gotta stay.
When I hear your voice
I fall to pieces
when I think of you, I think of you at night,
when it's hard to fall asleep,
you make me laugh and you say
nothing lasts forever,
and you know
you're breaking my heart.
If you ever change your mind...
oh, I don't wanna know
you'll break my heart
you'll make me feel small...
Don't ever change
don't ever change your mind,
even if you say
I know when you say that
nothing lasts forever...
Everything will work out
everything will work out
everything will work out.
If you ever change your mind...
oh, I don't wanna know
you'll break my heart
you'll make me feel small...
Don't ever change
don't ever change your mind,
even if you say...if you say...
nothing lasts forever...
Everything will work out.....
