

## Nothing Lasts Forever

Ivan Král

When I cry  
I cry for us babe  
what I dream about  
I feel it's a lie,  
the time was right  
but nothing lasts forever,  
you and I  
passing  
gotta stay.  
When I hear your voice  
I fall to pieces  
when I think of you, I think of you at night,  
when it's hard to fall asleep,  
you make me laugh and you say  
nothing lasts forever,  
and you know  
you're breaking my heart.  
If you ever change your mind...  
oh, I don't wanna know  
you'll break my heart  
you'll make me feel small...  
Don't ever change  
don't ever change your mind,  
even if you say  
I know when you say that  
nothing lasts forever...  
Everything will work out  
everything will work out  
everything will work out.  
If you ever change your mind...  
oh, I don't wanna know  
you'll break my heart  
you'll make me feel small...  
Don't ever change  
don't ever change your mind,  
even if you say...if you say...  
nothing lasts forever...  
Everything will work out.....
