

Seems Like Days

Ivan Král

Seems like days
it's only been a few hours,
whatever happened
I'm Waiting for you.
Rush hour traffic and
small town talk,
this road is shaking
I'm free!

Crazy love...

A flash of dreams
and phoney fears,
it's crystal clear
Eiffel tower.
Somewhere in the distance
I keep hearing your voice,
many illusions of you
destroyed.

Crazy love...
