

## Seems Like Days

Ivan Král

Seems like days  
it's only been a few hours,  
whatever happened  
I'm Waiting for you.  
Rush hour traffic and  
small town talk,  
this road is shaking  
I'm free!

Crazy love...

A flash of dreams  
and phoney fears,  
it's crystal clear  
Eiffel tower.  
Somewhere in the distance  
I keep hearing your voice,  
many illusions of you  
destroyed.

Crazy love...
