

Shoes

Ivan Král

Style
that's all you think about
it's your style,
but the way you wear your shoes
I don't mind.
Style
style baby.

Shoes
check out all the shoes you've got,
high heel, short heel,
wedgie, even go-go boots.
The way you wear 'em
the way they tie
I don't mind to walk
the extra mile,
style
you've got the right shoes
you've got style.

There's always one more missing
always one you want,
you are a shoe baby, shoe baby, shoe!

You check the colour
try if they fit,
run your fingers 'round it
you walk a bit,
the way you wear 'em
the way they tie,
I don't mind
and walk the extra mile.

There's always something missing
you always want some more,
you've got to have more shoes baby, shoes baby, shoe!

cool baby, cool baby,
my shoe baby shoe baby,
shoe baby shoe baby
shoe baby shoe baby.
