

Angels Hologram

Ivanhoe

Why

I still feel the pain
It doesn't let me go
Are you just a picture now?
A picture for my pain
That's anyway
in my lifeline

A perfect hologram
Cause you get hurt by life
Ohh.....before you die
No, no I think the pain's just the fact
I can't hear you laughing - again

Your picture's alive
My picture's a lie
Your picture's alive
My picture.....

I'm shy
I dare to touch
It's hard to realize
Are you just a picture now?
Are you free from this prison
I'm living in?
Far beyond your spirit there

I saw the skyline
do you paint the sky?
Ohh....I see your smile

No, no please stay a while
It feels so strong, it must be real time and again

Your picture's alive
My picture's a lie
Your picture's alive
My picture.....

Your picture alive--Your picture a lie?--My picture alive?-- My picture.....
.

Your picture's alive
My picture's a lie
Your picture's alive
My picture.....

It's my own private cage
it's something I like
I think I'm a friend of pain but...
I don't want to call myself a victim
I really enjoy this kind of pain - it shows me I'm still with you and you're
still with me
I love you.....I love you
