

Charon Of Styx

Ivory Night

Hades calls my soul - I fall to the ground
My blood is running out of my veins - Dead bodies all around

Charon is his name - Pay him fame - Pain
Then he'll take you to the other side
Swim on Styx
Pay with fame - And pain
A never ending night

Charon, Charon of Styx

Sun will never rise - On the river Styx as my heart dies
Now I must dream again - I can't resist
It's my final night

Death wind blows cold - Charon takes me home
On a pyre in soaring flames - Honour is cleansing my name

Charon is his name ...

Charon of Styx
