

Killer 7

Ivory Night

1.

Show me the crucifixion of my mind
Rip my soul and body from behind
Nail me to the branches of a tree
Watch the vultures grinding into me
Don't think I'll agree, don't think I'll breathe free
I will be the flood of the seventh sea

R.

Dawn of the Night
Fires of genocide
Hell and Highwater
I am your slaughter
Hypocrisy - Vengeance, at last it will be me
The Killer from the seventh sea

2.

I thought you were a friend, me naive fool
But you came running like a bull
Trampling straight across my dead body
But I was reborn on the seventh sea
Don't think I keep still, don't expect I will
I will be the hell of the seventh sea's will
