

Mighty Wings

Ivory Night

X.

Highspeed-Fidelity beams in my mind
The future has/will/been, but where am just I?
Fullfilled up by an emptiness
The road up to nowhere is re-arranged

1.

I am offended by the truth
The thruth offers pressure made by law

B.

I wonder inside, wander in mind, wander inside
Wandering towards I'm free
I wonder inside, wander in mind, wander inside
Wander in starlight

Melody: P+T

R.

I just leave, tomorrow is still far away
Tomorrow is still far away
I fly away on Mighty Wings

Solo: T

2.

Injustice we all leave in peace
While corruption's spreading it's disease

B.

I wonder inside, wander in mind, wander inside
Wandering towards I'm free
I wonder inside, wander in mind, wander inside
Wander in starlight

R.

I just leave, tomorrow is still far away
Tomorrow is still far away
I fly away on Mighty Wings

Solo: P+T

Melody: P+T

R.

I just leave, tomorrow is still far away
Tomorrow is still far away
I fly away on Mighty Wings
I fly away on Mighty Wings
I fly away on Mighty Wings
