

# When Thoughts Are Running Wild

Ivory Tower

My whole life I've been waiting  
For someone like you  
The one and only  
But there are times I wonder  
Who you really are  
If you were alone  
It's in your eyes and in your smile  
It's in the way that you deny

Don't leave me, release me  
Don't run away and hold me  
When thoughts are running wild  
I hear you, I feel you  
I truly adore you  
I'm watching every move you make  
I want you here by me  
I need to feel your warmth  
Tenderness and poetry  
But there is still that odd feeling  
It's in your eyes and in your smile  
It's in the way that you deny

Don't leave me, release me  
Don't run away and hold me  
When thoughts are running wild

Don't leave me, believe me  
Don't run away and hold me  
When thoughts are running wild
