

At the top of the world
It's so lonely, it's so lonely

Ever since that day we fell
And fell at the tree
And our eyes were open
Forever forced to see

With hearts turned, turned away
With hearts turned, turned away

We're naked and so ashamed of it
How dearly we have all paid for this

And the woman's beauty
Wasn't enough
To keep her from falling
Falling down from love
The man and all his strength
Stood and watched his blood
So cowardly, oh so cowardly

With hearts turned, turned away
With hearts turned, turned away

We're naked and so ashamed of it
How dearly we have all paid for this
We're naked and so ashamed of it
We've been running from ourselves ever since

One day, I'll stand before You
One day, I'll stand before You
And joy would flood my soul
All of me will know
I am made whole in You

We're naked and so ashamed of it
How dearly we have all paid for this
We're naked and so ashamed of it
We've been running from ourselves ever since
