

Frost Bitten

Ivy Levan

I don't mind all the reindeer games
But if you're not around then it just ain't the same no
Won't be singing "Let It Snow"
Until it's you and me beneath the mistletoe!

Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!
Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!
Go on and warm me up baby
Yea you warm me up

I don't care that it's cold outside
Just get the fire going we'll stay in tonight babe
I ain't got none of that Christmas cheer!
But with you right beside me it's the perfect time of year
Oooh... Oh oh... OH...

Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!
Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!
Go on and warm me up baby
Yea you warm me up

Go on! Yea you warm me up baby
Yea you warm me up Oooo
Yea you warm me up
Warm me up!
Go on! Yea you warm me up baby
Yea you warm me up Oooo
Yea you warm me up
Warm me up!
Oh yea!
(Warm me up)

Ya melt frozen heart
Yea you know it's true
It won't Christmas without you!
Oooo

Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!
Frost bitten, yea so frost bitten
Yea you warm me up
(Warm me up)
You warm me up!

Yea you warm me up baby

Go and warm me up Ooo yea

Yea you warm me up

Warm me up!

Go on yea you warm me up Oh yea

Yea you warm me up Oooo

Come over here baby!

Warm me up!
