

The Dame Says

Ivy Levan

I said TRICK or TREAT

But I'm do my thang
You got a problem
You can kiss this ring

Now you act like you got some class
But do you know how to back that ass up
Watch me drop the hurt
Make money, money
Make money, money work
(make money, money

MAKE MONEY WORK)

All eyes on me, all eyes on me
I'm a give you what you need
I'm a give you what you need
All eyes on me (all eyes on me)
All eyes on me

Cuz if you love it rough
You love it when i give it to you

And i f****n ate it too
I'm a grade a steak
You ain't nothing but dog food

Now you act like you got some class
But do you know how to back that ass up
Watch me drop the hurt
Make money, money
Make money, money work
(make money, money
make money, money work
MAKE MONEY WORK)

All eyes on me, all eyes on me
I'm a give you what you need
I'm a give you what you need
All eyes on me (all eyes on me)
All eyes on me
I'm a give you what you need
Cuz if you love it rough
You love it when i give it to you
