

Be My Baby

Ivy

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So won't you stay love me? I'll make you so proud of me
We'll make 'em turn their heads every place we go

So won't you, please?
(Be my, be my baby)
Be my little baby
(My one and only baby)
Say you'll be my darling
(Be my, be my baby)
Be my baby now
(My one and only baby)

So won't you, please?
(Be my, be my baby)
Be my little baby
(My one and only baby)
Say you'll be my darling
(Be my, be my baby)
Be my baby now
(My one and only baby)

Oh, since the day I saw you, I have been waiting for you

So come on and be
(Be my, be my baby)
Be my little baby
(My one and only baby)
Say you'll be my darling
(Be my, be my baby)
Be my baby now
(My one and only baby)

So come on and be
(Be my, be my baby)
Be my little baby
(My one and only baby)
Say you'll be my darling
(Be my, be my baby)
Be my baby now
(My one and only baby)

Be my, be my baby
(Be my little baby)
My one and only baby
(Say you'll be my darling)
Be my, be my baby
(Be my baby now)
My one and only baby
