

## Digging Your Scene

Ivy

Do do do do do (4x)

I just got your message baby-  
So sad to see you fade away.  
What in the world is this feeling?  
Catch a breath and leave me reeling!  
It'll get you in the end- it's god's revenge.  
Oh- I know I should come clean  
But I prefer to deceive.  
Every day I walk alone  
And pray that god won't see me.  
I know it's wrong, I know it's wrong.

Tell me why is it  
I'm digging your scene?  
I know I'll die, baby...

They put you in a home to fill in.  
But I wouldn't call that living.

I'm like a boy among men,  
I'd like a permanent friend,  
I'd like to think that I was just myself again.

Oh tell me why is it  
I'm digging your scene?  
I know I'll die, baby...

I just got your message baby,  
So sad to see you fade away...

I'm like a boy among men,  
I'd like a permanent friend,  
I'd like to think that I was just myself again.

Oh tell me why is it  
I'm digging your scene?  
I know I'll die, baby.

Oh tell me why is it  
I'm digging your scene?  
I know I'll die, baby.

Do do do do do  
C'mon, baby!  
Do do do do do (4x)  
C'mon, baby  
Do do do do do (2x)  
Do do do...
