Digging Your Scene

Do do do do do (4x)

I just got your message baby-So sad to see you fade away. What in the world is this feeling? Catch a breath and leave me reeling! It'll get you in the end- it's god's revenge. Oh- I know I should come clean But I prefer to deceive. Every day I walk alone And pray that god won't see me. I know it's wrong, I know it's wrong.

Tell me why is it I'm digging your scene? I know I'll die, baby...

They put you in a home to fill in. But I wouldn't call that living.

I'm like a boy among men, I'd like a permanent friend, I'd like to think that I was just myself again.

Oh tell me why is it I'm digging your scene? I know I'll die, baby...
