

Still Jolly After All These Years

lwrestledabearonce

I met my old lover on the street last night
He seemed so glad to see me
I just smiled
And we talked about some old times
And we drank ourselves some beers
Still crazy after all these years
Oh Still crazy after all these years

I'm not the kind of girl
who tends to socialize
(To socialize)
I seem to lean on old familiar ways
And I ain't no fool for love songs
That whisper in my ears
Still crazy after all these years
