

## Live Up

Izrael

Live up, live up to your culture  
Live up, live up to your personal style  
Culture is how you live  
Culture is how you die  
Culture is how you love  
Culture is how you fight  
Live up, live up to your culture  
Dis'ya culture, what you've done to your neighbors  
Dis'ya culture, what you've done to your brothers & sisters  
Dis'ya culture, what you've done to all people  
Dis'ya culture, what you've teachen your children  
Live up for the truth in your heart  
Live up, live up don't go to the dark  
Jah children say the truth day by day  
The culture is what we say  
The culture is what we do  
The culture is your soul & blood  
Live up, the culture is in your soul
