

## My Lie

J Church

Now it's good-bye,  
Not much to declare,  
This good-bye,  
It's all mine

The feelings you find,  
Were from a better time,  
Affectionate memories,  
I keep in my mind

So now good-bye,  
It's my lie,  
This good-bye,  
It's my lie
