No role models and I'm here right now No role models to speak of Searchin' through my memory, my memory, I couldn't find one Last night I was gettin' my feet rubbed By the baddest bitch, not Trina, but I swear to God This bitch will make you call your girl up and tell her "Hey, what's good? "Sorry I'm never comin' home I'ma stay for good" Then hang the phone up, and proceed to lay the wood I came fast like 9-1-1 in white neighborhoods Ain't got no shame bout it She think I'm spoiled and I'm rich cause I can have any bitch I got defensive and said "Nah, I was the same without it" But then I thought back, back to a better me Before I was a B-list celebrity Before I started callin' bitches "bitches" so heavily Back when you could get a platinum plaque without no melody You wasn't sweatin' me

One time for my LA sisters One time for my LA hoes Lame niggas can't tell the difference One time for a nigga who know
