

Power Trip

J. Cole

She got me up all night
All I'm singin' is love songs
She got me up all night
Constant drinkin' and love songs
She got me up all night
Down and out with these love songs
She got me up all night
Drownin' out with these love songs
She got me up all night
All I'm singin' is love songs
She got me up all night
Constant drinkin' and love songs
She got me up all night
Down and out with these love songs
She got me open all night
She got me open all night

Okay, back when I was sleepin' in my mama's crib
Even back then when I was up there in Mohammed's crib
Payin' seventeen-hundred for the rent, money well spent
No heater, but a nigga made heat, may I vent?
Had a thing for you, even wrote the song 'Dreams' for you
'Cause I had dreams for you, thoughts of a ring for you
Childish shit, you know childish shit
Anonymous flowers sent, you know coward shit
Now a nigga signed to Hov, took a power trip
Back home I'm grown now, and this city's my throne now
The same clubs that I used to get tossed out
Life got crisscrossed, totally crossed out
'Cause now I'm in this bitch and I'm totally bossed out
Old chicks cryin' 'cause they know that they lost out
But I'm still on you, still on you
My drink spill on me while I feel on you

Would you believe me if I said I'm in love?
Baby, I want you to want me
Would you believe me if I said I'm in love?
Baby, I want you
And we are, we are, we are
Got me up all night
And we are, we are, we are
All I'm singin' is love songs
And we are, we are, we are
Got me up all night
And we are, we are, we are
And we are, we are, we are
She got me

Well this has got to be the longest crush ever
If I ever get to fuck, it'll be the longest bust ever
Love is a drug like the strongest stuff ever
But fuck it, I'm on one
