

## She's Mine Pt. 2

J. Cole

Catch me, don't you  
Catch me, don't you  
Catch me, I've fallen in love  
For the first time  
For you I drop the tough guy shit  
On this bus I sit

Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Thinking bout you  
Damn it feel good to have you  
Damn it feel good to have you  
Damn it feel good to have you  
Damn it feel good to have you  
Needin' me, wantin' me, givin' me a chance to feel special to somebody in a world where they not lovin' me

Handcuffs keep huggin the, wrists of my niggas  
And I wish stuff was different here  
But if I had a magic wand to make the evil disappear  
That means that there would be no Santa Claus no more  
To bring you Christmas cheer  
'Cause what he represents is really greed and the need  
To purchase shit from corporations that make a killin'  
Because they feed on the wallets of the poor  
Who be knockin' on they door, every Black Friday  
Just to get some shit they can't afford  
Even with the discount, write a check, that shit bounce  
But as long as we got credit, it don't matter, the amount  
We just swipin' shit here, we don't love, we just likin' shit here  
What's that smell, where's your diaper shit here  
Lay on your back, don't pee right now or else I'll have to get you back  
One day when you gon' want to get your way  
Yeah I'll have fun with that  
Reminisce when you came out the womb  
Tears of joy I think filled up the room  
You are now the reason that I fight  
I ain't never did nothing that's right in my whole life  
Got me thinking...

Am I worthy of this gift  
Am I strong enough to lift, into a place that I can see  
Someone more important than me?  
Am I worthy of this gift?  
Am I strong enough to lift, into a place that I can see  
Someone more important than me?  
Am I worthy of this gift?

People ask me how I did this shit  
I'm gon' do a humble stunt act like I meant this shit  
That's the ego taking credit for what God made  
Fuck this album shit hey mama look what God made

She's mine  
Catch me  
Don't you, catch me  
Don't you, catch me, I've fallen in love for the first time  
I wanna cry, and I ain't even tryna fight it  
Don't wanna die, cause now your here  
And I just wanna be right by your side  
On any night that you be cryin' baby  
I dry your eyes, I dry your eyes

There is a God  
It is a God  
Yeah, it is a God  
I never felt so alive  
I never felt so alive  
I never felt so alive  
I never felt so alive  
Catch me, don't you  
Catch me, don't you  
I've fallen in love  
For the first time
