See when i storm in, she storms out.
there's some love, hate shit going on in my house.
cus when i love her, she hates me. and when i hate her she love

see you want, to break up, just so we can make up. pro sex, oh

it's you and me, having sex. after an argument. is just the bes
t. oh baby.

We dont have to fuss and fight so baby why dont you spend the n

me. baby i dont want to let you go. because i need you so.

see you want, to break up, just so we can make up. pro sex, oh
yes, after we fight is just the best. x2
it's you and me, having sex. after an argument. is just the bes
