

Fatal

J. Holiday

Everyday your gone
Its killin me to be without you
Cant make it alone

Everyday your gone
Its killin me to be without you
Cant make it alone
Girl cause I'm missin you

Its like I got a hangover
I cant get you outta my head
Jus like I wrecked my new rover
Girl I cant get you out of my head
And I ain't never been low but
Its like I'm broke and I'm outta the game
So I swallow my pride if thats the only way
To make it better babe

I know I been wrong (know I been wrong)
We been fightin so long (we been fightin so long)
Come & see about me (come & see about me)
Its gettin hard to breathe (ooohhh)
Baby I'm sorry

I miss you
Everyday your gone
Its killin me to be without
Without you
I cant make it alone
Baby can we work it out
I miss you
Its fatal you know
Girl I'm guna die without
Without you
Tell me wat to do
Girl cause I'm missin you

(oh oh) maybe if I was older
Then I wouldn't be makin these mistakes
I know your girlfriends told ya
I didn't listen to a word I gotta say ?
But all I wanna do is hold ya
Your like a habit that I just cant shake
A life with you is what I'm tryna make

Baby cant you see

I know I been wrong (i know I been wrong)
We been fightin so long (we been fightin too long)
Come & see about me (come & see about me)
Its gettin hard to breathe
Baby I'm sorry

I miss you (hey)
Everyday your gone
Its killin me to be without (its killin me)
Without you (can't ya see)

Girl I'm guna die without
Without you

Girl cause I'm missin you (baby I'm missin you)
