

Good For Each Other

J. Holiday

We Are Good For Each Other
We Were Meant To Be Together

Girl We Met Such A Long Time Ago
But I Was Too Young And Scared To Let U Know
But Im Standin Right Here Right Now
Tellin You I Love You And I Aint Gonna Back Down
In Your Life, It Has Changed But I Know
It Was A Mistake To Let You Go
The Situation Aint The Same From The Phone
Girl Cant Be Nothin Better
Than You And Me Forever
Like Woodgrain And Leather
We Fit Good Together

We Are Good For Each Other
(But That Aint All I Gotta Say Baby)
We Were Meant To Be Together
(Cuz We Were Meant To Be Together Lady)
We Are Good For Each Other
We Were Meant To Be Together

Girl The Old Sayin Is,
"What You Love Let It Go,
If It Comes Back Then It Was Yours,
And If It Dont Then It Wont."
So Thats What I Did And
Girl You Came Back So
Now You're Mine That Feelin Thats Fine
Just Get Ready For My Love
Get Ready For My Touch
Cuz I Aint Gone Never Let Nothin Come Between Us
Oh Baby Come And Be My Lady
And We Can Be Bonnie And Clide All Up In My Mercedes

We Are Good For Each Other
(But That Aint All I Gotta Say Baby)
We Were Meant To Be Together
(Cuz We Were Meant To Be Together Lady)
We Are Good For Each Other
(We Are Good For Each Other Baby)
We Were Meant To Be Together

We Were Meant To Be Together
Like The Sun And The Moon And Flowers In June
We Were Meant To Be Together
Just Like Paper And Glue, Bebe King And The Blues
We Were Meant To Be Together
Like Hennesy And Mary Jane, Teddy P. And Marvin Gaye
But Its Always Been This Way
Its Gone Always Stay The Same
We Gone Be Forever Like Winter Coat And Sweater Oh Girl

We Are Good For Each Other
(But That Aint All I Gotta Say Baby)
We Were Meant To Be Together
(But We Were Meant To Be Together Baby)

We Are Good For Each Other
(So Just Listen When I Tell You, Cuz I Will Never Stear You Wrong)
We Were Meant To Be Together

Now The Old Sayin Is,
"What You Love Let It Go,
If It Comes Back Then It Was Yours,
And If It Dont Then It Wont."
So Thats What I Did And
Girl You Came Back So
Now You're Mine I Feel Its Like That Yea Yea
