Girl you're the best thing (yea)
That a man could ever ask for, yea

Baby you've got style
You've got class
Girl you make it look so easy, easy

God, every woman wouldn't treat me like you
You're fresh to death every night girl
I know... that's you

Got every man here wanna wife ya
The other half just one nighter
Oh but it's okay
'Cause you're here with your baby
And I bet you didn't know
How incredible
Girl you are
But it's cool, girl let me tell you

I know you don't believe it
But I'm a help to you see it
You're Incredible
Oh oh incredible
Oh you're body's so perfect (perfect)
And girl you got the mind I was searchin
You're incredible
