

# Pusher

J. Holiday

Can't talk  
Won't eat  
Tired eyes  
Can't see  
No rest  
Can't sleep  
My heart feels weak

I have the tendency to totally depend on you,  
it aint right  
I know I need to give it up  
I have the tendency to totally depend on you,  
it aint right  
I know I need to give it up

Pusher for my love  
Pusher for my love  
I can't get enough  
Pusher for my love

Flows through my blood  
What you give  
Baby, I can't get enough  
I'm hooked  
All fired up  
Aching and waiting for your tender touch

I have the tendency to totally depend on you,  
it aint right  
I know I need to give it up  
I have the tendency to totally depend on you,  
it aint right  
I know I need to give it up

Pusher for my love  
Pusher for my love  
I can't get enough  
Pusher for my love

Pusher for my love  
Hungry for that drug  
I can't get enough  
Pusher for my love

Pusher, Pusher, Pusher for my love  
Pusher, Pusher, Pusher for my love  
Pusher, Pusher, Pusher for my love  
Pusher, Pusher, Pusher for my love

Pusher for my love  
Pusher for my love  
I can't get enough  
Pusher for my love

Pusher for my love  
Hungry for that drug  
I can't get enough

Pusher for my love

Just keep on pushing that love
