

## Changes

J. J. Cale

How can you put me through these changes  
Why do you do me like you do  
It ain't no way  
I love-a-dee love nobody but you  
Let him go out and get with strangers  
Don't you turn my love to hate

Ain't no man can love you like I can, and I do  
How can you put me through these changes  
Why do you do me like you do  
It ain't no way  
I love-a-dee love nobody but you
