Don't wait, don't wait Don't wait for the good times to come We got 'em right here, we're on the run Don't wait, don't wait Going back, going back Going way back, back in time Another place, another mind Going back, going back Walk on, walk on Walk on straight ahead Don't look around, don't turn your head Walk on, walk on Fly away, fly away Fly away away with me I never been so flying free Fly away, fly away Bye bye, bye bye Please don't ever say You're leaving me, you're going away Bye bye, bye bye
