

# I Got the Same Old Blues

J. J. Cale

Have you heard that rumour that's going around  
You got it made, way across town  
It's the same old story, tell me where does it end  
Yes, I heard the news, it's the same old blues again

When I wrote you a letter, you must have read it wrong  
I stood at your doorway, but you was gone  
I took a lot of courage and let the telephone ring  
It's the same old blues, same old blues again

When you give me the business, you know I get a mind  
'Cause I've got a lot of patience and I've got a lot of time  
It's the same old story, tell me where does it end  
It's the same old blues, same old blues again

I'm gonna find me a mountain, I'm gonna hide out  
I ain't talking to you and I ain't coming out  
Yeah, I heard that rumour, tell me where does it end  
It's the same old blues, same old blues again
