

Leaving In the Morning

J. J. Cale

tell ol' Jessie he can have my guitar
tell ol' Bob he can have my dog
tell ol' Frank he's welcome to it
if he thinks he wants my job

tell everybody they can have my woman
they done had her anyway
cos I'm leavin' in the morning
and I won't be back this way

if you see miss Sally Walker
tell her I said hello
if you see them fools shootin' pool
tell 'em I had to go

they can have all my tomorrows
I'll give 'em my watch and chain
I'm leavin' in the morning
and I won't be back again

If ol' Jake he wants my Harley
tell him to take a ride
If you know someone that's on the run
and needs a place to hide

They can have the key to my door
It's all I got to my name
I'm leavin' in the morning
And I won't be back again

I'm leavin' in the morning
And I won't be back again
