

# Lonesome Train

J. J. Cale

Lonesome train, ride all day  
Lonesome train, ride all day  
Since I lost my woman, I lost my way

Mr Conductor, where is this train bound  
Mr Conductor, where is this train bound  
Is it headed up, is it headed down

Lucky for me, I'm on the sunny side  
Lucky for me, I'm on the sunny side  
Since I lost my woman, it's a lonesome ride

Lonesome train, ride all day  
Lonesome train, ride all day  
Since I lost my woman, I lost my way
