

# Oh Mary

J. J. Cale

Did you hear about Mary?  
She's lookin' for a brand new man  
Did you hear about Mary?  
She's lookin' for a brand new man  
I'm a gonna try to catch her  
Gonna try to catch her if I can

Now Mary's old man  
Just wouldn't treat Mary right  
Now Mary's old man  
Well he wouldn't treat Mary right  
When she got up in the mornin'  
He'd dance her 'round all night

Oh Mary, can I be your lovin' man?  
Oh Mary, one chance if I can

Did you hear about Mary?  
She's as fine as she can be  
She's a-lookin' for a man and I hope it's me  
Oh Mary, let me be your lovin' man

Now Mary's real cool  
She kinda plays it hard to get  
Now Mary's real cool  
She kinda plays it hard to get  
If I can get one chance  
I bet that she won't regret it

Oh Mary, let me be your lovin' man  
Oh Mary, one chance if I can

Did you hear about Mary?  
She's as fine as she can be  
She's a-lookin' for a man  
And I'm hopin' it's me  
Oh Mary, let me be your lovin' man

Oh Mary, let me be your lovin' man  
Oh Mary, one chance if I can

Did you hear about Mary?  
She's as fine as she can be  
She's a-lookin' for a man  
And I hope it's me  
Oh Mary, let me be your lovin' man
