

Pack My Jack

J. J. Cale

Yes, I've been moving to the highway
Rambling man keeps rambling on
Yes, I've been moving to the highway
Rambling man keeps rambling on
Well, you can't seem to see it my way
Pack my jack and I'll be gone

I said trouble, trouble follows easy
Follows me everywhere I go
Trouble, trouble follows easy
Follows me everywhere I go
I can't seem to shake old trouble
Trouble got me down

Lord, I woke this morning feeling hazy
My good gal she done left and gone
Yes, I woke this morning feeling hazy
My good gal she done left and gone
She said I was dumb and lazy
Ain't no truth in that at all
