

## Pack My Jack

J. J. Cale

Yes, I've been moving to the highway  
Rambling man keeps rambling on  
Yes, I've been moving to the highway  
Rambling man keeps rambling on  
Well, you can't seem to see it my way  
Pack my jack and I'll be gone

Follows me everywhere I go  
Trouble, trouble follows easy  
Follows me everywhere I go  
I can't seem to shake old trouble  
Trouble got me down

Lord, I woke this morning feeling hazy  
My good gal she done left and gone  
Yes, I woke this morning feeling hazy  
My good gal she done left and gone  
She said I was dumb and lazy  
Ain't no truth in that at all
