

## That Kind of Thing

J. J. Cale

It's that kind of thing babe, no alibis  
It's that kind of thing babe, shuffle or die  
Going through these changes, like Mr. Right  
It's that kind of thing babe, no alibis

It's that kind of thing babe, pay your dues  
It's that kind of thing babe, win or lose  
Going through these changes, like Mr. Right  
It's that kind of thing babe, no alibis
