

## Woman I Love

J. J. Cale

Woman I love ain't much more than skin and bone  
Woman I love ain't much more than skin and bone  
If she ain't round the house - out of the door, daddy no more  
Woman I love ain't much more than skin and bone

Treat me right, oh no no, can't complain  
Treat me right, oh no, can't complain  
She got to be nice, she got me hypnotised  
Treat me right, oh no, can't complain
