

Best Thing I Never Had

J Rice

What goes around comes back around (my baby)
What goes around.

There was a time
When I thought, you did everything right
No lies, no wrong
Girl I still must been out of my mind
So when I think of the time that I almost loved you
You showed your ass and I, I saw the real you

Thank God you blew it
I thank God I dodged the bullet
I'm so over you
So baby good lookin' out

[Chorus:]
I wanted you bad
I'm so through with that
Cause honestly you turned out to be the (best thing I never had)
You turned out to be the (best thing I never had)
And I'm gonna' always be the (best thing you never had)
I bet it sucks to be you right now

So sad, you're hurt
Boo hoo, oh, did you expect me to care
You don't deserve my tears
I guess that's why they ain't there
When I think that there was a time that I almost loved you
You showed your ass and baby saw the real you

Thank God you blew it
I thank God I dodged the bullet
I'm so over you
Baby good lookin' out

[Chorus:]
I wanted you bad
I'm so through with that
Cause honestly you turned out to be the (best thing I never had)
You turned out to be the (best thing I never had)
And I'll always gonna be the (best thing you never had)
I bet sucks to be you right now

I know you want me back
It's time to face the facts
That I'm the one that's got away
Lord knows that it would take another place, another time, another world, an
other life
Thank God I found the good in goodbye

[Chorus:]
I used to want you so bad
You turned out to be the (best thing I never had)
You turned out to be (the best thing I never had)
And I will always be the (best thing you never had)
Ooh, best thing you never had!

I used to want you so bad
I'm so through with that
Cause honestly you turned out to be the (best thing I never had)
Oh you turned out to be the (best thing I never had)
Oh, I will always be the (best thing you never had)
Oh baby, I bet it sucks to be you right now

What goes around, comes back around
What goes around, comes back around
I bet it sucks to be you right now
What goes around, comes back around
I bet it sucks to be you right now
What goes around, comes back around
I bet it sucks to be you right now
