Finally Found You

You know I'm gon get ya, yeah Whatever it takes to get there No I won't drop you Like everybody else does

Forget about your friends they don't care where we go If they do, we'll get lost in a crowd of people I've been looking for you forever baby we go Together baby we go, we go

In this crazy world of choices I've only got a few Either you're coming with me, or I'm coming with you Cause I finally found, I finally found you You never have to worry if what I say is true Girl I've been looking for you And when I saw you I knew That I finally found, I finally found you

[beat break]

I'm coming I'll get ya, yeah We have a connection, that's right Cause girl I'm not letting go I'm gonna make you feel right, oh yea

Forget about your friends they don't care where we go If they do, we'll get lost in a crowd of people I've been looking for you forever baby we go Together baby we go, we go

In this crazy world of choices I've only got a few Either you're coming with me, or I'm coming with you Cause I finally found, I finally found you You never have to worry if what I say is true Girl I've been looking for you And when I saw you I knew That I finally found, I finally found you

[beat break]

Finally finally finally found you Finally finally finally found Finally found, I finally found you

You know I'm gonna get ya
