

# Wide Awake / Don't Wake Me Up

J Rice

[Verse 1:]

I'm Wide awake yeah I was in the dark  
I was falling hard with open heart  
I'm wide awake how I really start so wrong yeah  
Too much light in this window, don't wake me up  
Only coffee no sugar, inside my cup  
If I wake and you're here still, give me a kiss  
I wasn't finished dreaming, about your lips

[Chorus:]

Don't wake me up, up, up, up up, up [x3]  
Don't wake me up  
Don't wake me..  
letting go tonight  
falling from my mind

I'm wide awake [x2]  
Don't wake me up

[Verse 2:]

So much life in the city, you won't believe  
Been awake for some days now, no time to sleep  
I wish knew than what I know now  
I would dive in I would bow down  
Gravity 1st made it so sweet  
till I woke up on the concrete  
falling from my mind  
crash from the high  
letting go tonight  
falling from the night

I'm wide awake  
don't wake me up

I'm wide awake  
falling from the night  
crash from the high  
letting go tonight  
So don't wake me up
