Betta get it right (2x)

Who would've thought, we get away with manslaughter Numerous cars, cribs off the water A playa no longer, life's gettin' shorter Tired of hoes takin' offers, instead of orders The Rule don't condone this Cause in the late '60's this game was flawless Until blow got on the rise Them ol' Jacks was slingin' pies in bell bottoms and buttonflies But now, pop yo collars, blow set for sag And we still fly birds L-A-X to Lag They roll caddies with white walls, we ride Benz with mags Still the goal remains the same, guard from feds Y-D to O-G, the game chose me R-U-L-E the INC. and I-GWe never gon' break free from this life we live as thugs Pain is love, it's murda

Murder INC. Takin' flight We go hard Betta get it right (2x)

You see the life we live, we on the murderous shit And every time we breathe, it's Murder I-N-C You know it's love to thug, cause thug is in our blood And how we paint this shit, stay on that gangsta shit You see the life we live, we on the murderous shit And every time we breathe, it's Murder I-N-C You know it's love to thug, cause thug is in our blood And how we paint this shit, stay on that gangsta shit Stay on that gangsta shit, stay on that gangsta shit Stay on that gangsta shit See what we do when we do what we do when we do it Stay on that gangsta shit
