The Reign

Yeah(yeah) I feel the reign coming down on me, shh, When the sun gonna shine, My lord Somebody help my soul I think the reign is calling murder I think the reign is calling murderrr I think the reign is calling murder i think the reign is calling murderrr Dear lord can you hear my pain if you cant its alright, cuz im a live my life anyway just let it rain on me, i feel so free like a cool breeze, Oh when the sun gon shine, pull up the mini blinds, load up the lucky nine hit em up from behind, thats my life, and it dont ever be the same, never again and the game is the plain, dont get caught up in your range rover, pullin over, on the westside highway shoulder, nicca ill blow ya, like the windsheild, leave your mind on the windsheild, and have your wit the win windmills, thats what rain feels, like when its hittin a little harder than drizzlin, pistols flying now pistols got niccas crying they christains in, i cant believe shit has come to this, its un heard of now its gonna rain down murder I think the reign is calling murder I think the reign is calling murderrr I think the reign is calling murder i think the reign is calling murderrr God only greives wit the best of em, buries the rest of em the storm is comig,I got a 100 mile running, head start on these niccas, cuz its murder fo life, drugs, pictures, and money, be my homie rice, but im living life in the fastlane, doing the damn thang, in the ferrari, hard top, watching hard reign, its a damn shame, no more games, no more love, baby boy i throw back slugs, through your creme bay throw back, i hits that up, and let yo u know where the rain is from, you ever heard of mixing whiski wit jamican rum, you g et busy, mix jin wit a little cocain, you got me, and my style is a little to savage to not be, we look to god as one of the illist to mcs, yall niccas wanted wit me, thats shits un heard ofcuz niccas now its gonna reign down murder I think the reign is calling murder I think the reign is calling murderrr I think the reign is calling murder i think the reign is calling murderrr Nobody loves me, sometimes i wish the good lord would come down and hug me, i took a look at my life its gettin ugly, and now i know that you all wanna s lug me, i can get above it, its my life and i thugged it, even though im livin close t o the edge,

im getting close to the dead, with every little step, That i take, and any wake

Ja Rule

of my last days,i hope the sun shines,wit a light rain,that would mean the w orld shared my pain, and now the world would be happy again,smile,cuz if i ever walked the green mile, you'd be looking in your fame and on my lifestyle,what can i say i was raise d as an only child,lonely,papa disowned me,so the streets raised me,you can call me crazy,its not unheard of now its gonna rain down murder I think the reign is calling murder I think the reign is calling murderr I think the reign is calling murder i think the reign is calling murder
