

## Flower In the Rain

Jaci Velasquez

You are the One, there's no one else  
Who lifts me up  
and gives me water from the well  
But there's a hole  
that seems to drain it all away  
And once again I'm left in fear  
and doubt  
When all my strength is crying out

So here I am again  
Willing to be opened up and broken  
Like a flower in the rain  
Tell me what have I to do  
To die and then be raised  
To reach beyond the pain  
like a flower in the rain

The evil wind it blows a storm  
to rock my world  
Just when I think I'm safe and warm  
I'm led astray far too easily  
It's always hard for me to say I'm wrong  
Until I know I can't go on

So here I am again  
Willing to be opened up and broken  
Like a flower in the rain  
Tell me what have I to do  
To die and then be raised  
To reach beyond the pain  
like a flower in the rain

Lord, You have searched me  
And know when I sleep and when I rise  
You're familiar with all my ways  
Even the darkness will shine  
like the day  
When you look into my heart

So here I am again  
Willing to be opened up and broken  
Like a flower in the rain  
Tell me what have I to do  
To die and then be raised  
To reach beyond the pain  
like a flower in the rain
