

If This World

Jaci Velasquez

Yeah

Yeah

Do you feel you've been disowned
Left outside in the cold and without a home?
Do you think that no one cares
That you're lost and alone and without a prayer?

Don't give into the lie that there's no one you can turn to
Don't lose heart, there is hope
There is someone who will never desert you

If this world is a lonely place for you
Fall into the arms of love
If this world is a lonely place for you
There's a God who you can trust
He'll comfort you and lift you up

Yeah

Yeah

Are you looking for a friend
Who will stand by your side to the very end?
Someone who is always true to his word
Be assured, He won't turn from you

Put your faith in the one who will never let you down
He has proven his love
Open up to all He has for you now

If this world is a lonely place for you
Fall into the arms of love
If this world is a lonely place for you
There's a God who you can trust
He'll comfort you and lift you up

He hears your cry
He sees your tears
He knows your pain and all your fears

He waits for you with open arms
He longs to live inside your heart
You'll never be alone again

If this world is a lonely place for you
Fall into the arms of love
If this world is a lonely place for you
There's a God who you can trust
He'll comfort you and lift you up

Yeah

Yeah

Yeah

Yeah
