

Nothing But Sky

Jaci Velasquez

I'm here
With all the scars and the tears
I've survived
It takes time
To find forgiveness
Get on with my life

I've gone through the heartache
Learned from the pain
Walked through
The broken, and all that remains
Is a heart that's wide open
Ready and willing to fly
Now, there's nothing but sky
Nothing but sky

It's clear
That what doesn't kill you
Makes you strong
I'm here
Right where I should be
In your tender arms

I've gone through the heartache
Learned from the pain
Walked through
The broken, and all that remains
Is a heart that's wide open
Ready and willing to fly
Now, there's nothing but sky
Nothing but sky

Nothing but blue sky around me
Nothing but sky
Nothing but this moment now
Floating high above the clouds
It's all I need, You here with me

I've gone through the heartache
Learned from the pain
Walked through
The broken, and all that remains
Is a heart that's wide open
Ready and willing to fly
Now, there's nothing but sky
Nothing but sky

There's no sign of rain
Ain't no clouds in my way
Nothing but blue sky around me
Nothing but sky
