

# Tango

Jaci Velasquez

Love is a fiery dance of give and take  
The game of tug of war  
Can be so tantalizing  
We tend to fight over  
Who's right, who's wrong  
We push the buttons  
That keep the tension rising

Whay-oh, oh whay-oh  
Whay-oh, oh whay-oh,  
I think it's time to tango  
Whay-oh, Oh Whay-Oh, Whay-Oh, Oh-whay  
Sometimes you gotta tango

You like to keep it civilized and calm  
I like the drama  
It exposes all the feelings  
We won't resolve it  
If we both shut down  
We gotta work it out  
Before we hit the ceiling

Whay-oh, oh whay-oh  
Whay-oh, oh whay-oh,  
I think it's time to tango  
Whay-oh, Oh Whay-Oh, Whay-Oh, Oh-whay  
Sometimes you gotta tango

Que se Muevan ("That they move")  
Que se Baila ("That it's danced")  
Let's dance together  
Baby you and me  
Can't let our differences  
Ever come between us  
We'll find the rhythm  
If we meet halfway  
Let's not get fiesty  
Just because we're Mars and Venus
